

PRODUCT SPECIFICATION

REF 7200 CEDERROTH WALL BRACKET FOR EYE WASH

1 GENERAL PRODUCT DESCRIPTION

Description

A holder in green hard plastics intended for storage of a Cederroth Eye Wash bottle, making it easy to find in an emergency. The holder can be mounted on any vertical surface e.g. on a wall, in a vehicle, at the laboratory bench or on the Cederroth First Aid Panel. A glow-in-the-dark sign with instructions for use is included.

The Cederroth Wall Bracket for eye wash also serves as an opening device for the Cederroth Eye Wash and as an anti-theft system, as the Eye Wash bottle is automatically opened when removed from the holder and thus cannot be returned into the holder.

The Wall Bracket is intended for providing a safe and organized storage of the Eye Wash products, which will result in easy access of the products whenever needed

Storage information

For maximum protection, keep in original package until use.
