

Document shredders DAHLE 410air L plus

- Team document shredder for professional use
- Unique DAHLE CleanTEC® filter system reduces exposure to fine dust emitted from document shredders, creating a better indoor climate
- Innovative MHP® (Matrix High Performance) cutters: high-quality compound steel cutters that are guaranteed to last
- Patented manufacturing process preserves resources by considerable saving of raw materials compared to a conventional production of cutting cylinders
- oil- and maintenance free operation
- More performance and convenience by MHP cutting cylinders
- Separate CD feed opening and waste box for reliable, environmentally friendly shredding
- Widely opening doors for ease of emptying the waste bag
- Clearly designed, user-friendly control panel with illuminated information and function unit and acoustic signals
- With automatic motor cut-out after 30 minutes without use
- Electronic start-stop function controlled by integrated light barrier
- Convenient automatic reversing function clears feed opening after feeding in too much paper
- Convenient feed and reverse function for manual control
- Motor cuts out automatically when waste box is full or door is open
- Automatic shredding stop and optical signal in control panel when bin full
- Includes 10 strong waste bags suitable for re-use (Item no. 20707)
- Powerful motor for high capacity and longer running times
- Extremely quiet operation for a particularly pleasant working atmosphere
- Convenient swivel casters providing 5 cm floor clearance for greater mobility and two brakes for keeping the shredder firmly in place
- Separate main switch for completely shutting down the document shredder
- Practical IEC power connector can be unplugged from the document shredder
- Dimensions (H x W x D): 944 x 545 x 435 mm

CE Compliance

Departmental document shredders: professional performance across the team.

Entry width 310 mm

Waste collection volume 100 litres
