

Guillotine 564

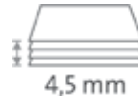

- User-friendly guillotine for professional use
- Sturdy solid metal table with rounded edges and non-slip rubber feet for firm standing
- Practical recessed grips for safe and easy handling
- Practical format lines on the table with mm graduation along the cutting edge facilitate alignment of the material being cut
- Ergonomic handle ensures effortless cutting
- Screw-mounted, ground upper blade for cutting precision
- Screw-mounted, ground lower blade for exact results
- High-quality, re-sharpenable blades made of Solingen steel for long-lasting cutting quality
- Sturdy, solid-steel blade holder for optimum guidance of the screw-mounted upper blade
- Perfected automatic safety guard for reliable protection and unobstructed vision while working
- Manual D-bar clamp for holding item being cut perfectly in place
- Two scale bars with mm scale for an exact 90° cut
- Adjustable backstop in guide channels
- Narrow guide channels in the table prevent individual sheets from slipping through
- Clip-in front stop for cutting strips of equal width
- Precision laser beam line indicator for professional cutting results
- Blades can be sharpened
- Clamp can be applied manually or deactivated
- Laser beam line indication included
- 2 scale bars

Professional use:
working efficiency with cutting precision
