

# HP Premium Matte Polypropylene, 2 Pack

## The HP large format printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

## Produce brilliant, high-impact signs and banners

### Deliver high-quality, durable prints

Handle these sturdy, tear-resistant<sup>1</sup> prints with confidence. Providing the high-quality look and feel of photo material, you get durable performance without trading off brilliant color and edge definition.

### Produce high-impact, photo-realistic signs

Produce prints with brilliant color, photo-realistic images, and the look of traditional photos—this sturdy film is ideal for a wide range of sign and event displays including photo enlargements.

### Do more, and print with the environment in mind

Offer a wide range of applications from presentations, banners, and displays to photo enlargements—and help meet the environmental objectives of your company and your clients—with this versatile, printing material that is eligible for return through the HP Large Format Media take-back program.<sup>2</sup> HP Premium Matte Polypropylene is REACH compliant<sup>3</sup>—a regulation of the European Union adopted to improve the protection of human health and the environment from risks that can be posed by chemicals.
