

# intimus 100 CP4

## FOR OFFICE USE

---

Up to 10 users

P-4 | Large office shredder with sheet capacity of 22 sheets and bin volume of 100 litres

### Shredding material:

- Paper with staples and paper clips
- CD / DVD / Blu-ray
- Plastic card
- Foil

The intimus 100 CP4 is designed for discreet and seamless document disposal in office settings. Direct shredding in the office ensures swift disposal of sensitive information, boosting security and regulatory compliance. It effortlessly handles various materials, including paper documents with staples and paper clips, credit cards, foils and CDs with precise 3,8 x 36 mm accuracy. The shredder is designed for easy mobility with castors, making it possible to move within your workspace and enhancing efficiency. This solution is efficient and space-saving. It includes a 100-litre waste bag, making it ideal for larger offices.

## KEY FEATURES

- The 3,8 x 36 mm particles meet the P-4 security standard outlined in DIN 66399 (ISO/IEC 21964).
- This device can handle 20-22 sheets of 80 g/m<sup>2</sup> paper, including paperclips and staples, efficiently.
- It has a processing speed of up to 578 sheets per minute, ensuring rapid and efficient document handling.
- It can securely shred credit cards, CDs and foils as well.
- The operating noise level is low at 60 dB(A), maintaining a peaceful work environment.
- The castors provide enhanced mobility, and the sturdy wooden cabinet base adds convenience.
- The shredder comes with a 100-litre collection bag that can be easily removed.
- It enables effortless shredding with automatic start/stop function, auto reverse, anti-paper jam technology, bin full sensor and overheat protection.
- Automatic power-off after 5 minutes of inactivity, promoting eco-friendliness and energy conservation.

## SPECIFICATIONS
