

intimus 007 SL High Security Shredder – in the Department

Professional Data Shredders – a Synthesis of Technology, Performance and Design. All intimus® shredders are built from durable, precision engineered, high-performance components, designed for a long life of high volume usage. The product range covers all requirements from day-to-day office use up to High Security Shredding machines in use for destruction of classified material in line with all current legal requirements such as DIN 66399. intimus® shredders carry various features which make them unique in user-friendliness and operating efficiency.

- Automatic start/stop with light barrier
- Electronics equipped with microcontroller
- Auto-reverse and reverse key for quick elimination of paper jams
- Illuminated indicators for standby, basket full, door open and paper jam
- Mobile, sealed, dust-free cabinet
- Optionally available with automatic oiler

W/D/H 70 x 55 x 112 cm
